Dear Sir/Madam,

RE: Request for an Academic Internship Opportunity (Attachment) - JOEL KANANELO

Botho University requests your esteemed organization to offer an **academic internship** (*referred to as the Botho Graduate Profile-BGP Internship Programme and popularly known as attachment*) opportunity to our student, **JOEL KANANELO** which will commence on **July 10th 2025** and end on **Nov 07th 2025**. This letter confirms that **JOEL KANANELO** is currently enrolled as a Botho University student from our Lesotho pursuing a degree in **Bachelor of Science (Honours) in Computing** and is currently in his/her **4th Year** of study. This Internship is a mandatory and assessed component of every student's program of study at Botho University and they earn academic credits for successful completion. Please also find attached a Program Scope to guide your organization in offering a relevant academic internship in line with the student's programme of study. All students going on academic internship are also provided with a detailed BGP Internship Handbook which includes the role of Internship Employers and Interns. Employers are encouraged to ask students for a copy of this Handbook.

It is important to note that all students, except for students from Botho University Online campus present in countries where Botho University does not have a physical presence, eligible for internship are covered by insurance for risks associated with accidental injury or death during the time of their internship.

Attached herewith for guidance is the following:

1. Student's Transcript showing modules she/he has covered.
2. BGP Internship Insurance Letter

For any further inquiries, please email careerservices.maseru@bothouniversity.ac.bw or call +266 2224 7500. Botho University appreciates your organization's support in offering our students this internship.
